▪ By plane:

The airport is 10 kilometers away from the center of Montpellier (15-minute drive), midway between the town and the sea. Taxis, car rental and a shuttle service (11 times/day) are available. From the airport to IDvet:

- **if you take a taxi:** the fare is around 25€ and it is a 30-minute drive
- **if you use the shuttle + the tramway:** the shuttle (1.60€ one-way) will bring you to the tram station “*Rives du Lez*” where you will take the tram “*Ligne 1 / T1*” (decorated in blue with white swallows), indicating the direction: “*Mossor*”. To reach IDvet, stop at “*Euromédecine*” tram station. (To get to the city center, stop at the railway station “*Gare SNCF*” or at “*Place de la Comédie*”.)
